

We: Labfacility Ltd.

Of: Suite 134, Tradewinds Business Centre, Heath Place, Ash Grove, Bognor Regis, PO22 9SL.

In accordance with the following directive(s):

BS EN 61000-6-1:2019 Electromagnetic compatibility (EMC). Generic standards. Immunity for residential, commercial and light industrial environments.

BS EN 61000-6-3:2021 + A1:2011 Electromagnetic compatibility (EMC). Generic standards. Emission standard for residential, commercial and light industrial environments.

Any electrical equipment that conforms to European standard, and has the CE mark, complies to the 2014/35/EU Low voltage directive (LVD).

As Labfacility's fine wire welder passed compliance testing to European standards, allowing all Labfacility welders to have the CE marking applied, the unit therefore complies to the 2014/35/EU Low voltage directive, and can be stated in your documentation.

We Hereby declare that: L60+ Fine wire welder is in conformity with the applicable requirements of the following documents.

2014/30/EU Electromagnetic compatibility directive. As applicable to arc welding equipment.

2014/35/EU Low voltage equipment directive for export purposes, specifically articles 3 & 15 and annex 1.

The basis on which conformity is being declared.

The manufacturer/distributor hereby declares that the products identified above comply with the protection requirements of the EMC directive and with the principal elements of the safety objectives of the Low voltage equipment directive.

Note:

Installation compliance aspects.

The attention of the specifier, purchaser, installer or user is drawn to special measures and limitations to use which must be observed when these products are put into service to maintain compliance with the above directives. The recommendations and connection configurations indicated in the installation and operating instructions relevant to each product must be observed and applied during the installation of the product with particular regard to wiring & connections and precautions when operating the equipment.
